Isle of Wight

for

Sunny Oaks Renewable Energy Park Ltd

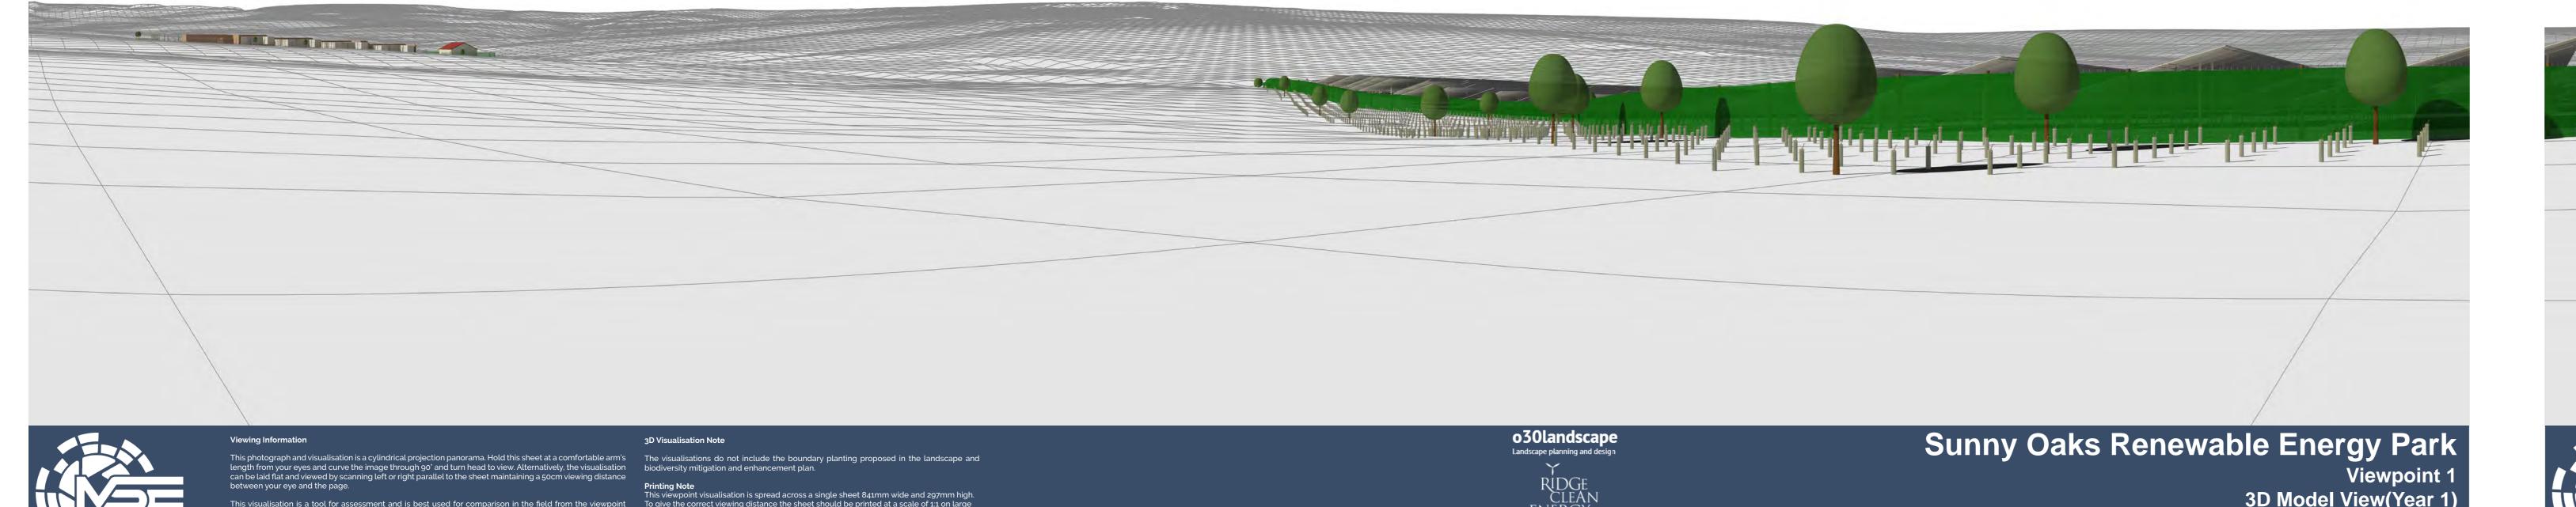

September 2022

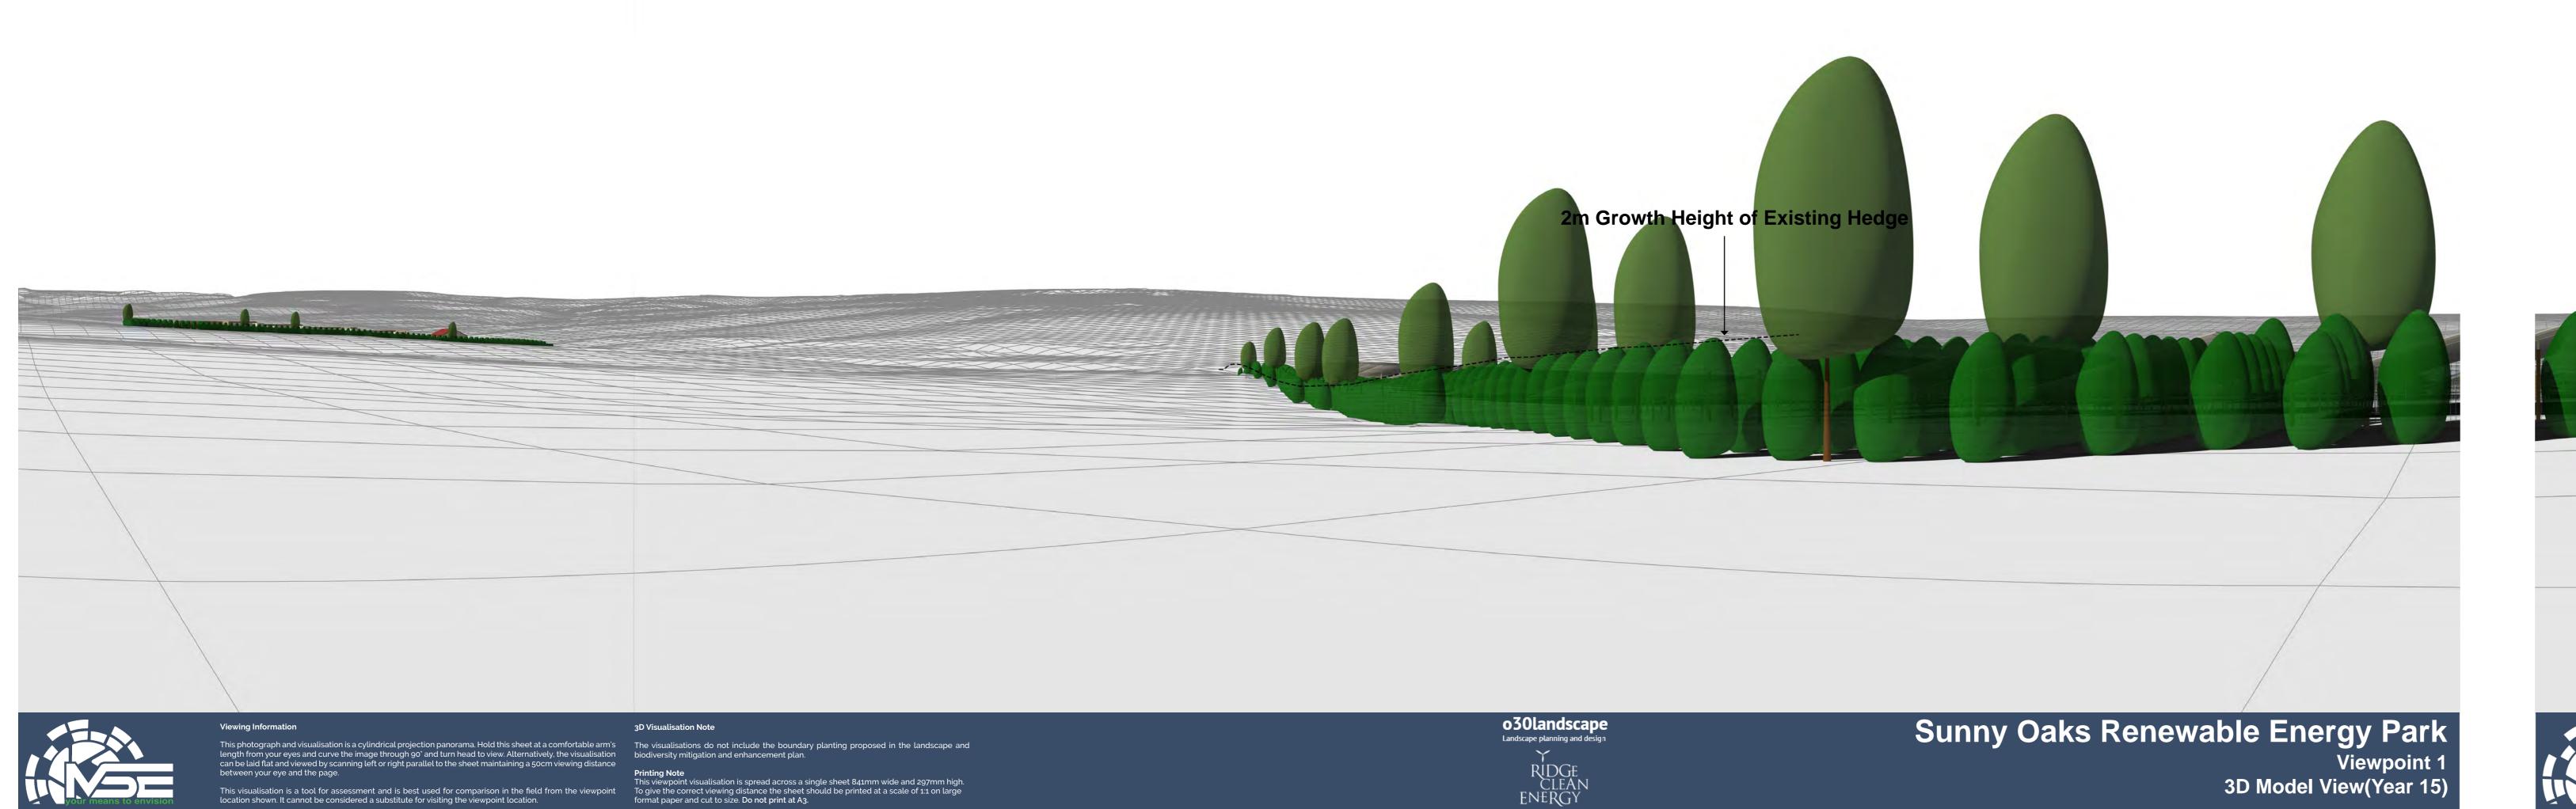

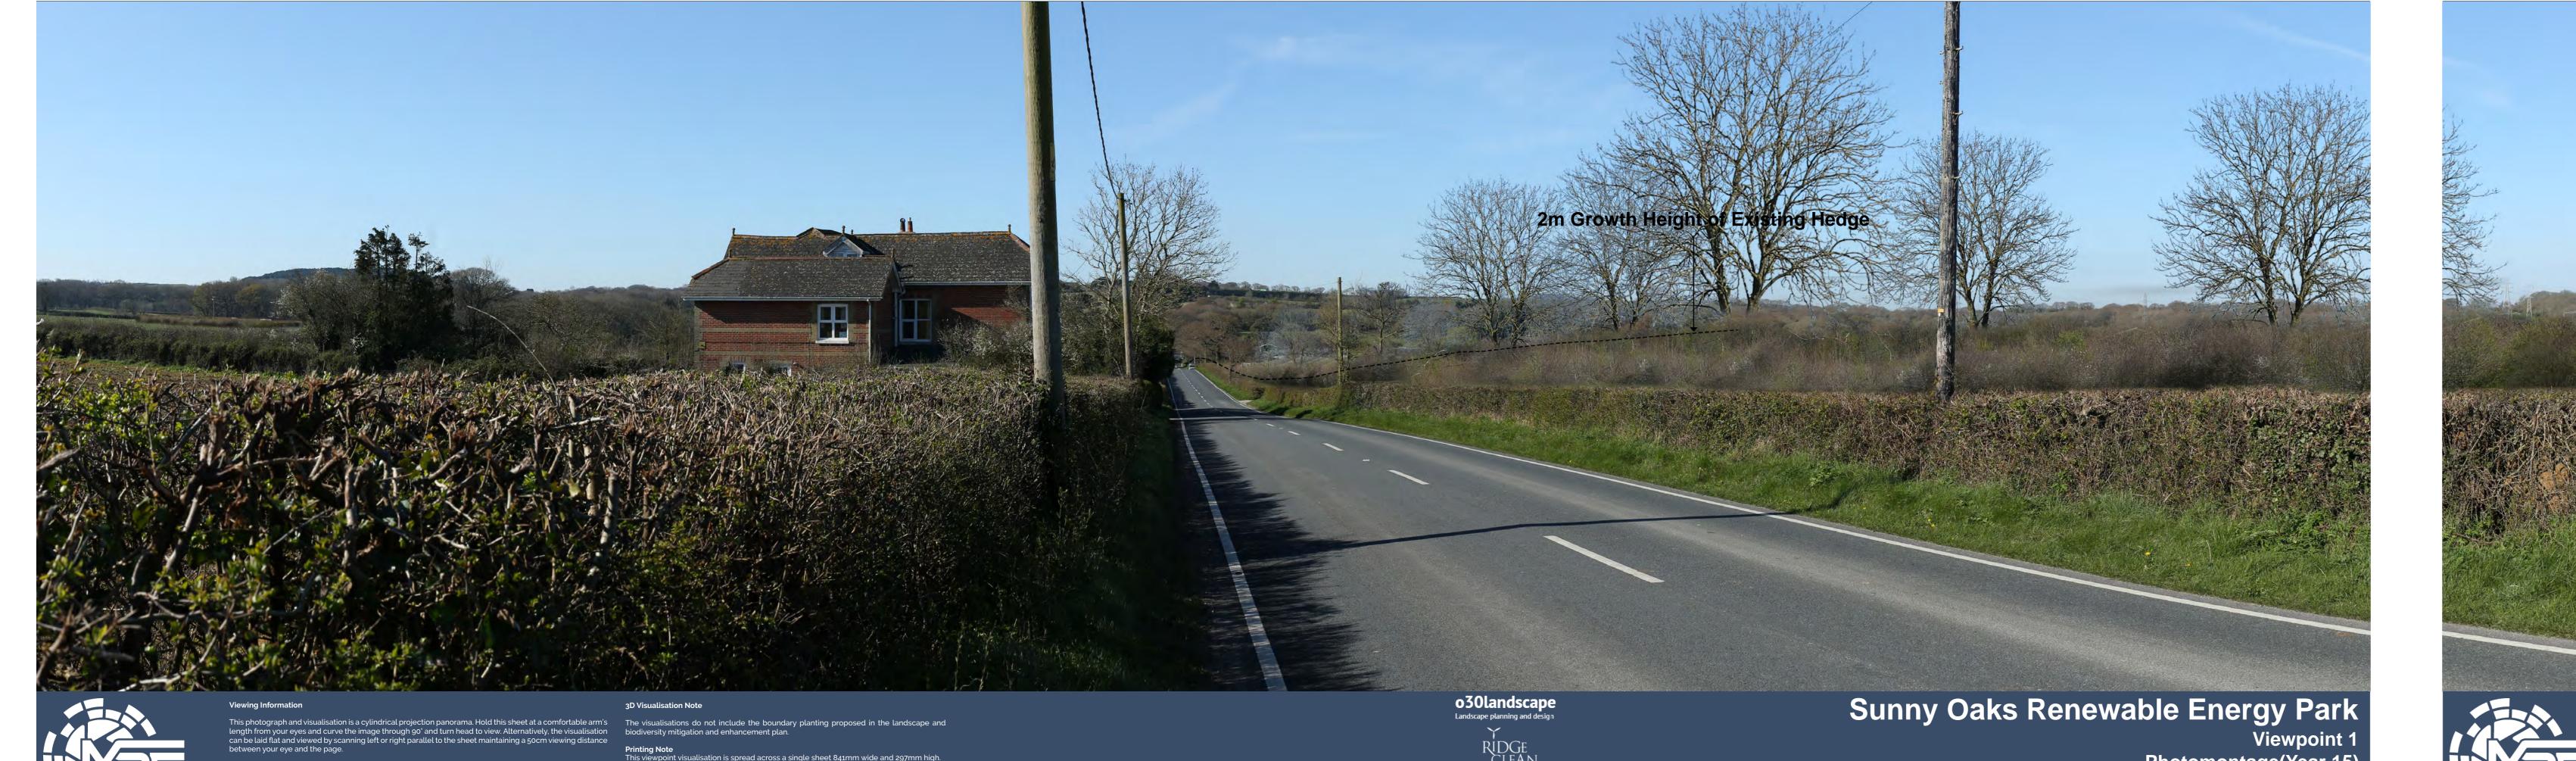

ecv/AVR Type 2

Sunny O

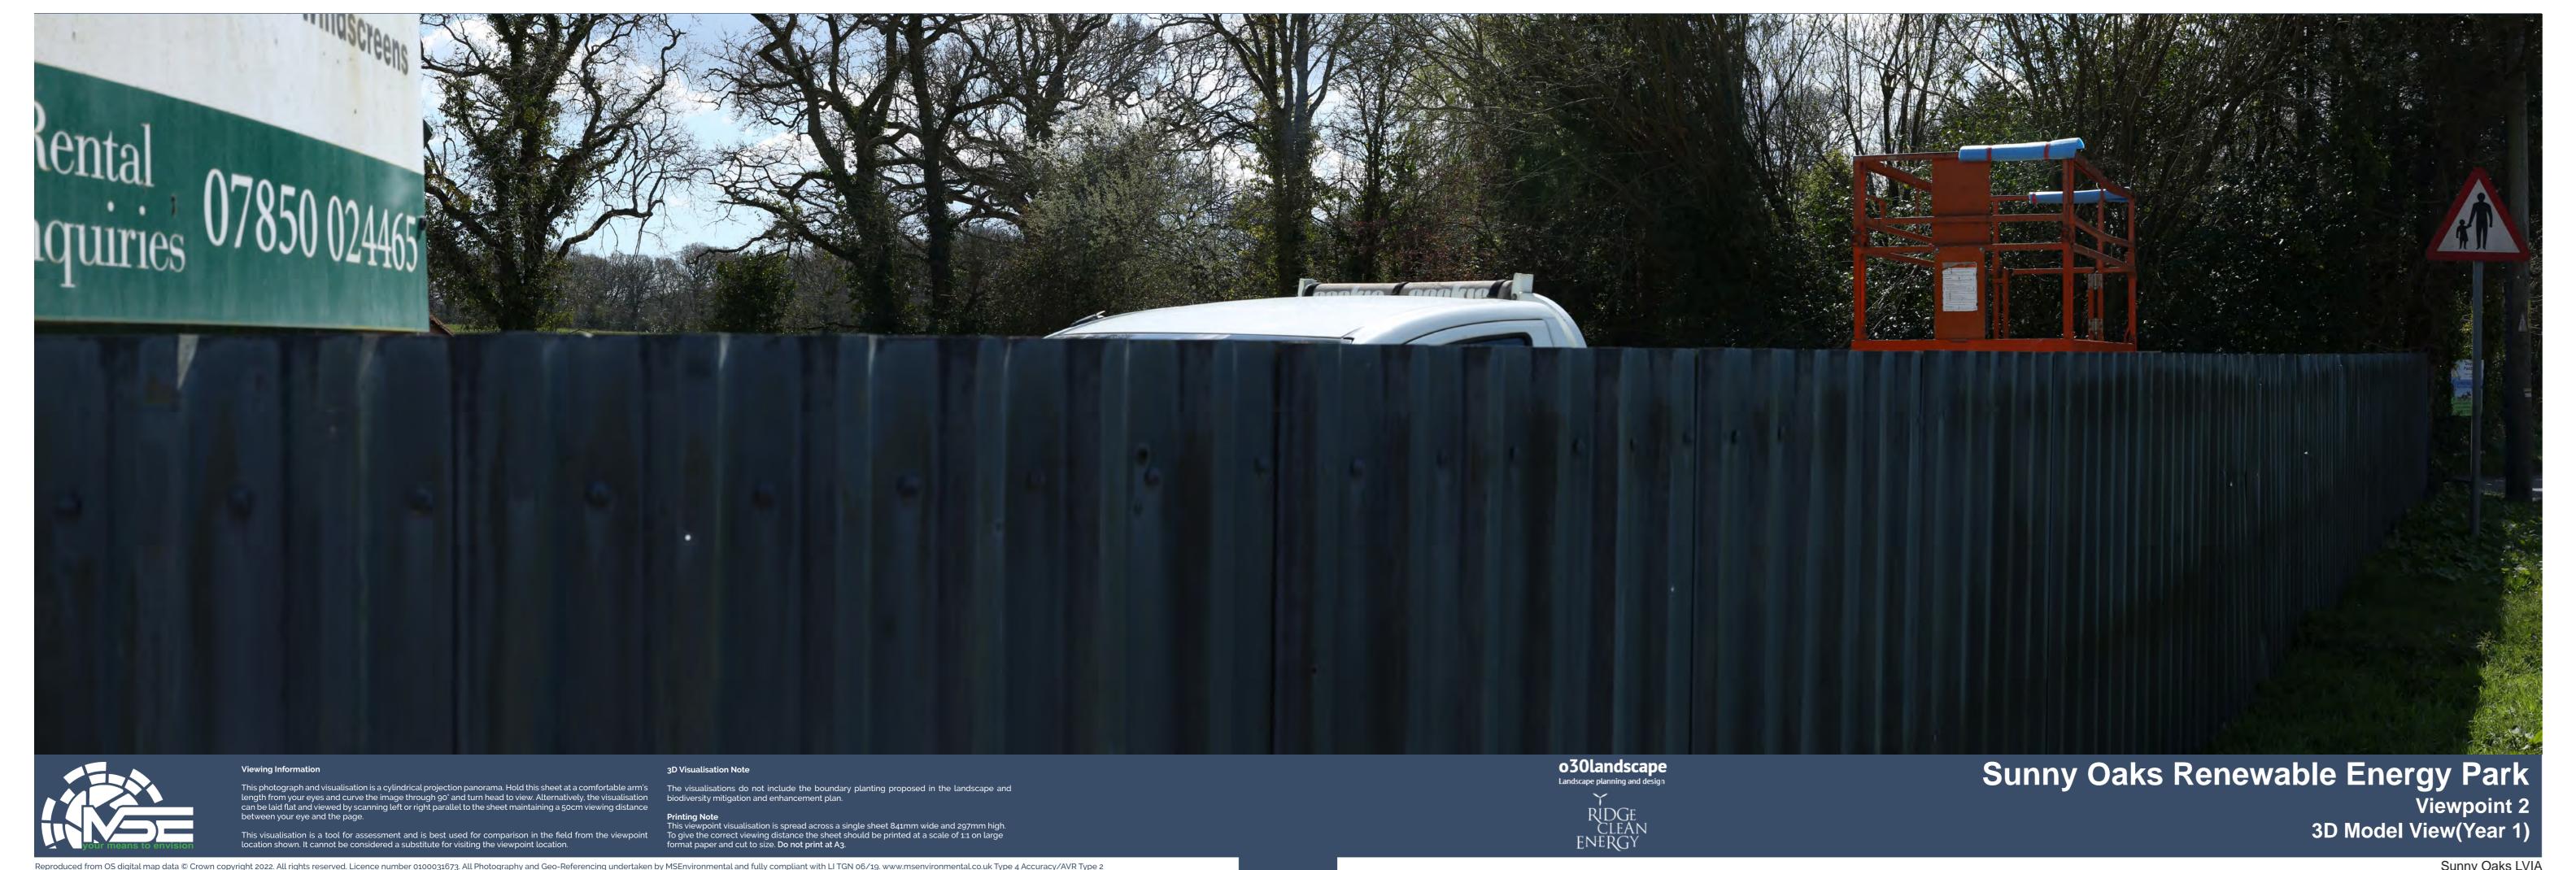

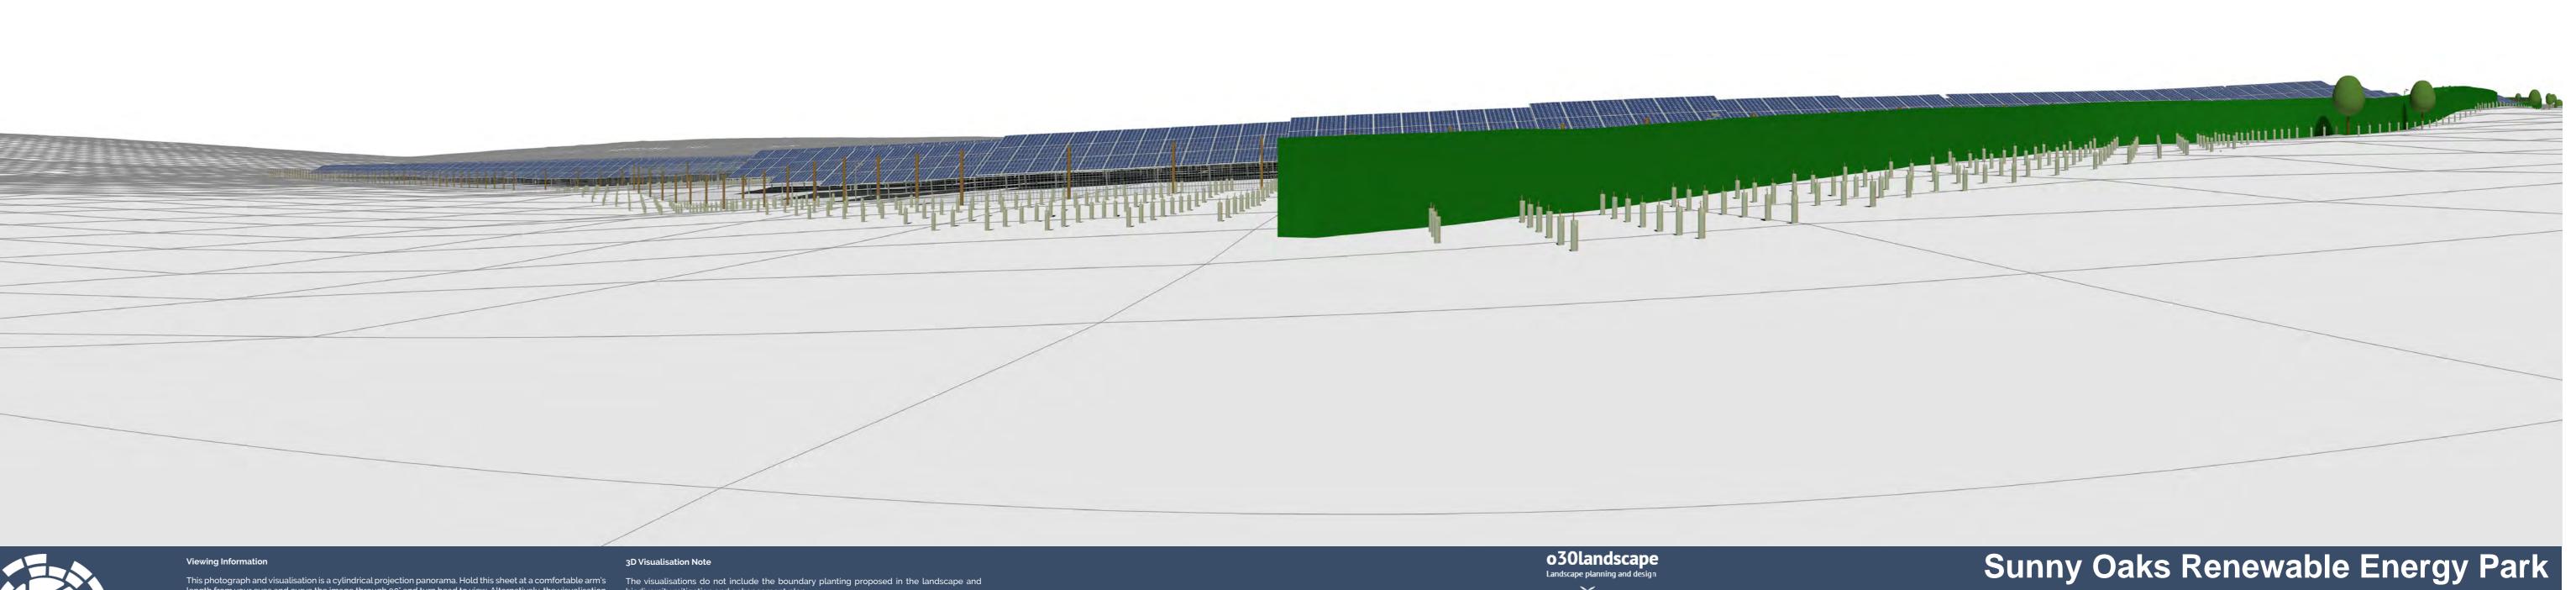

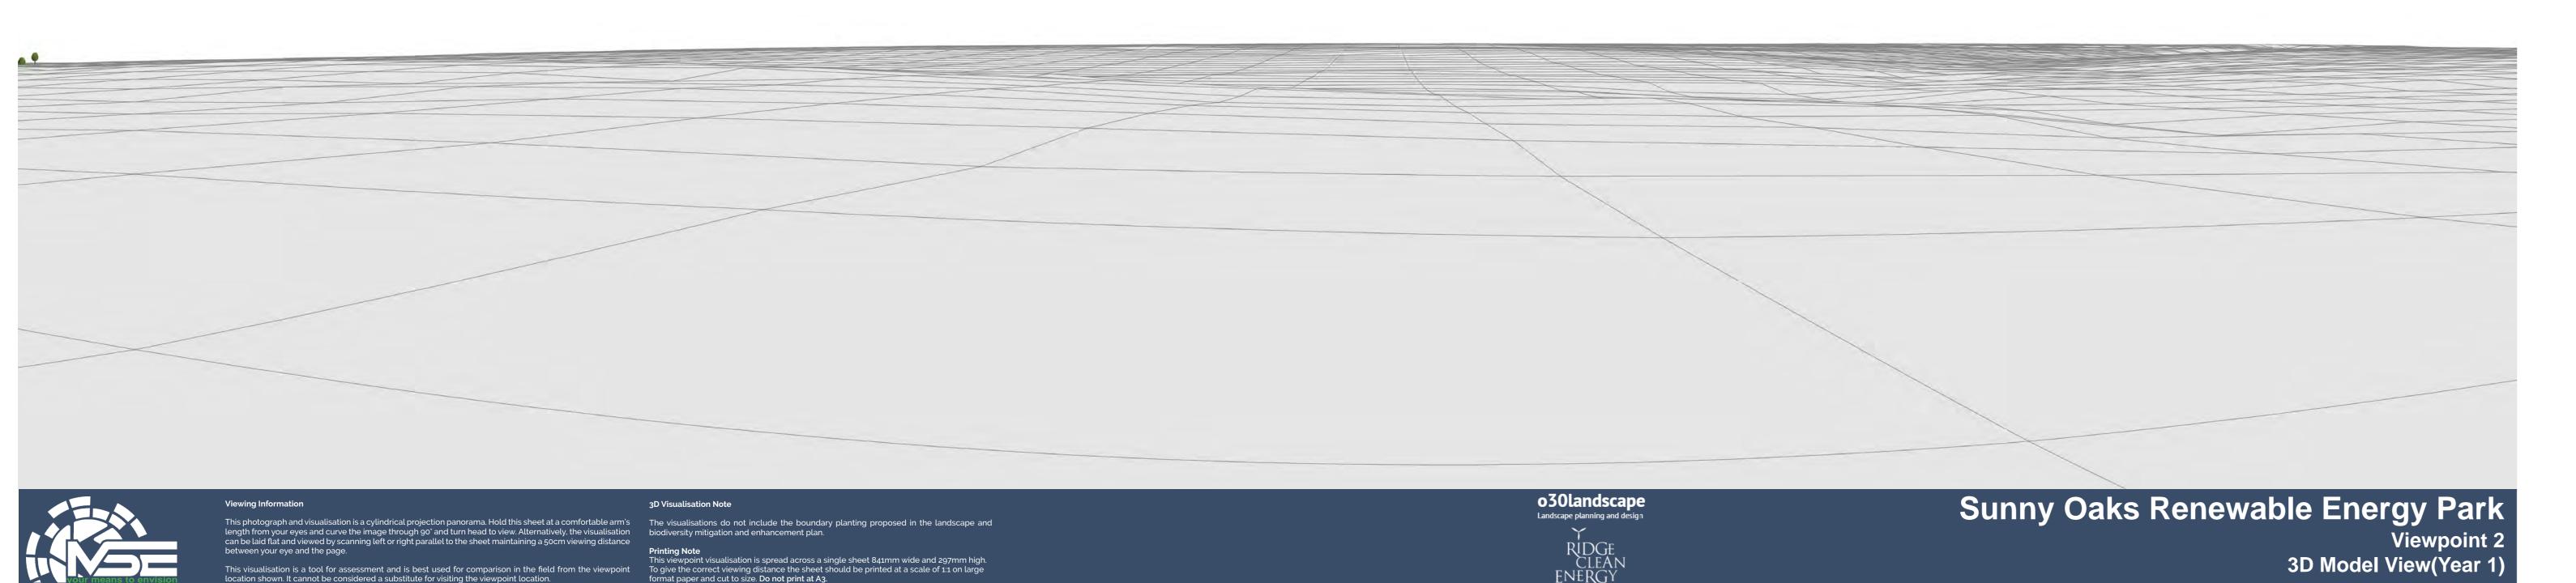

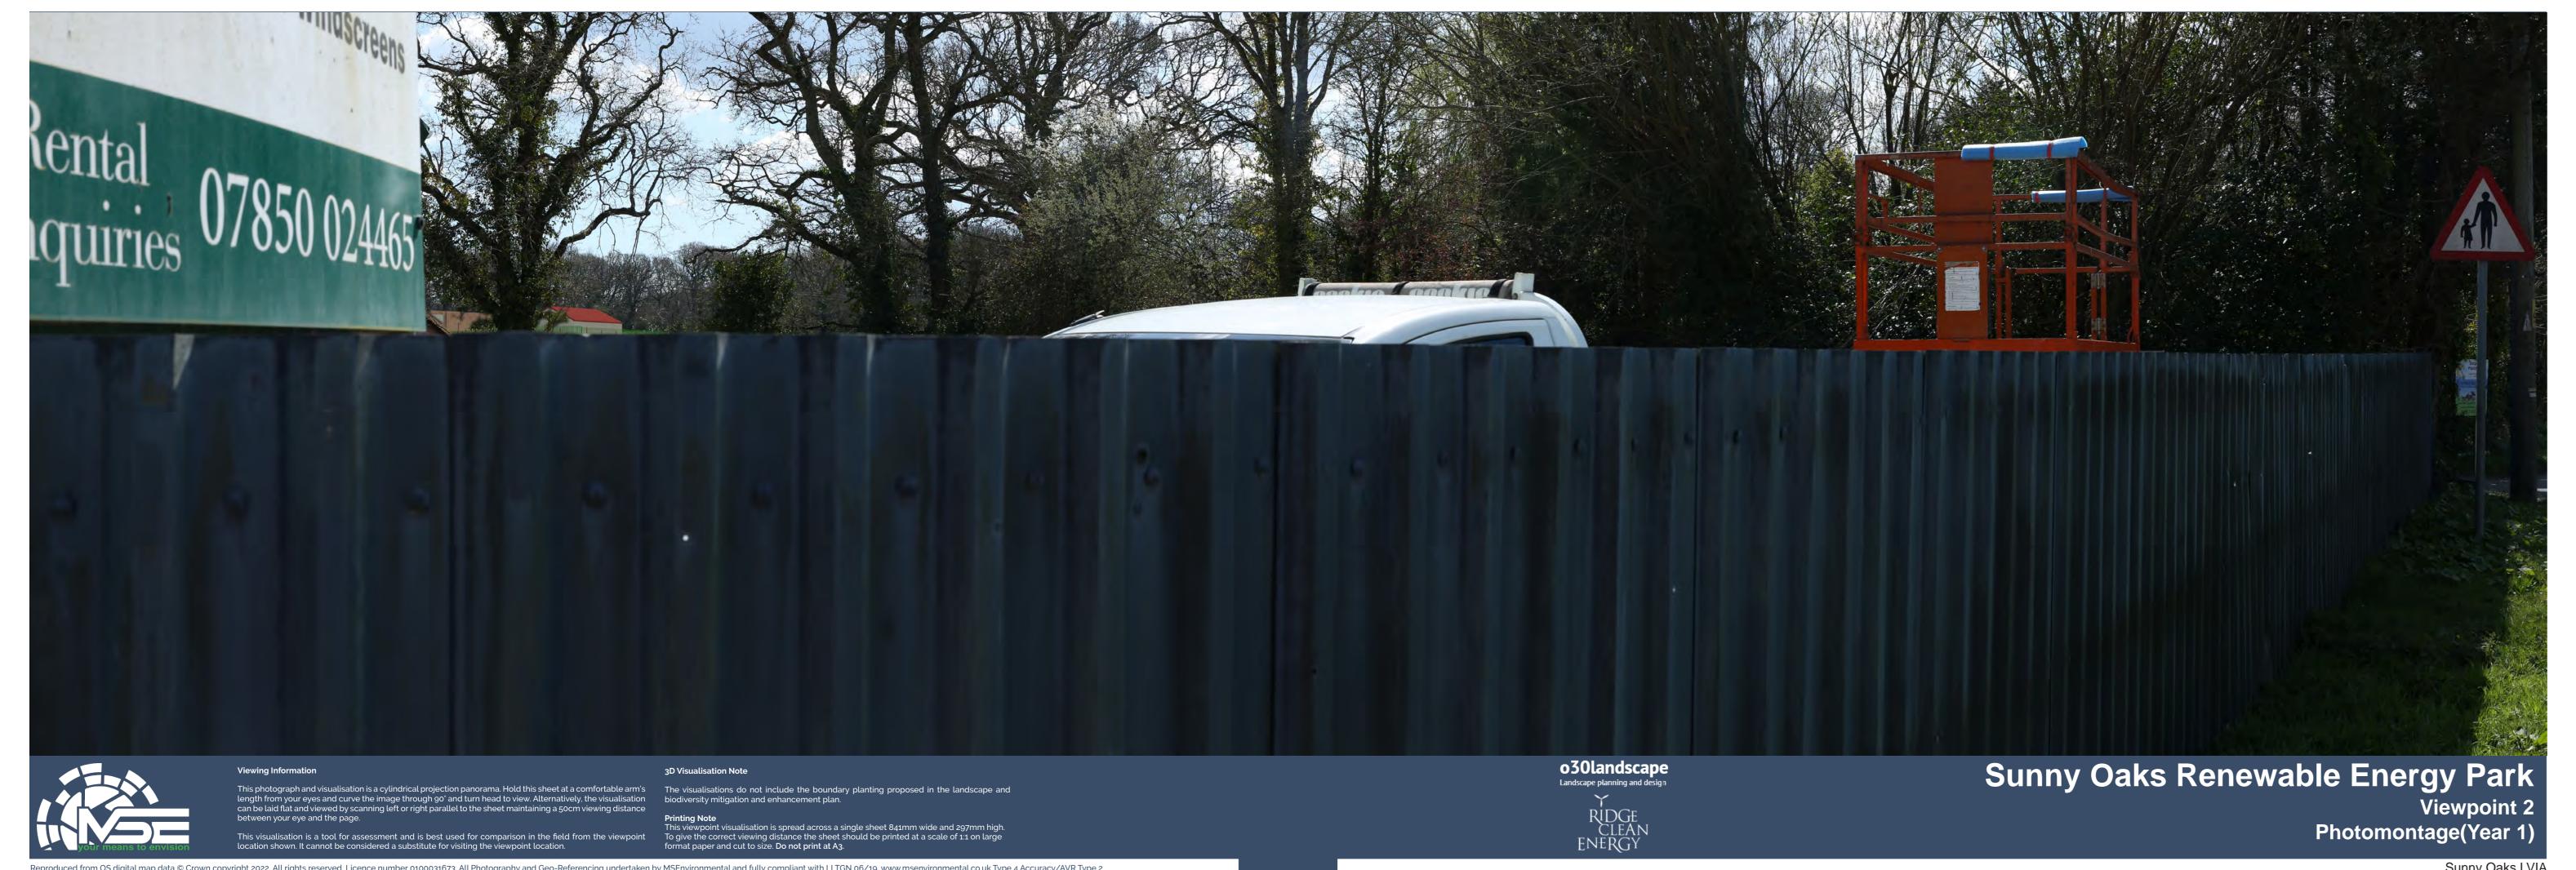

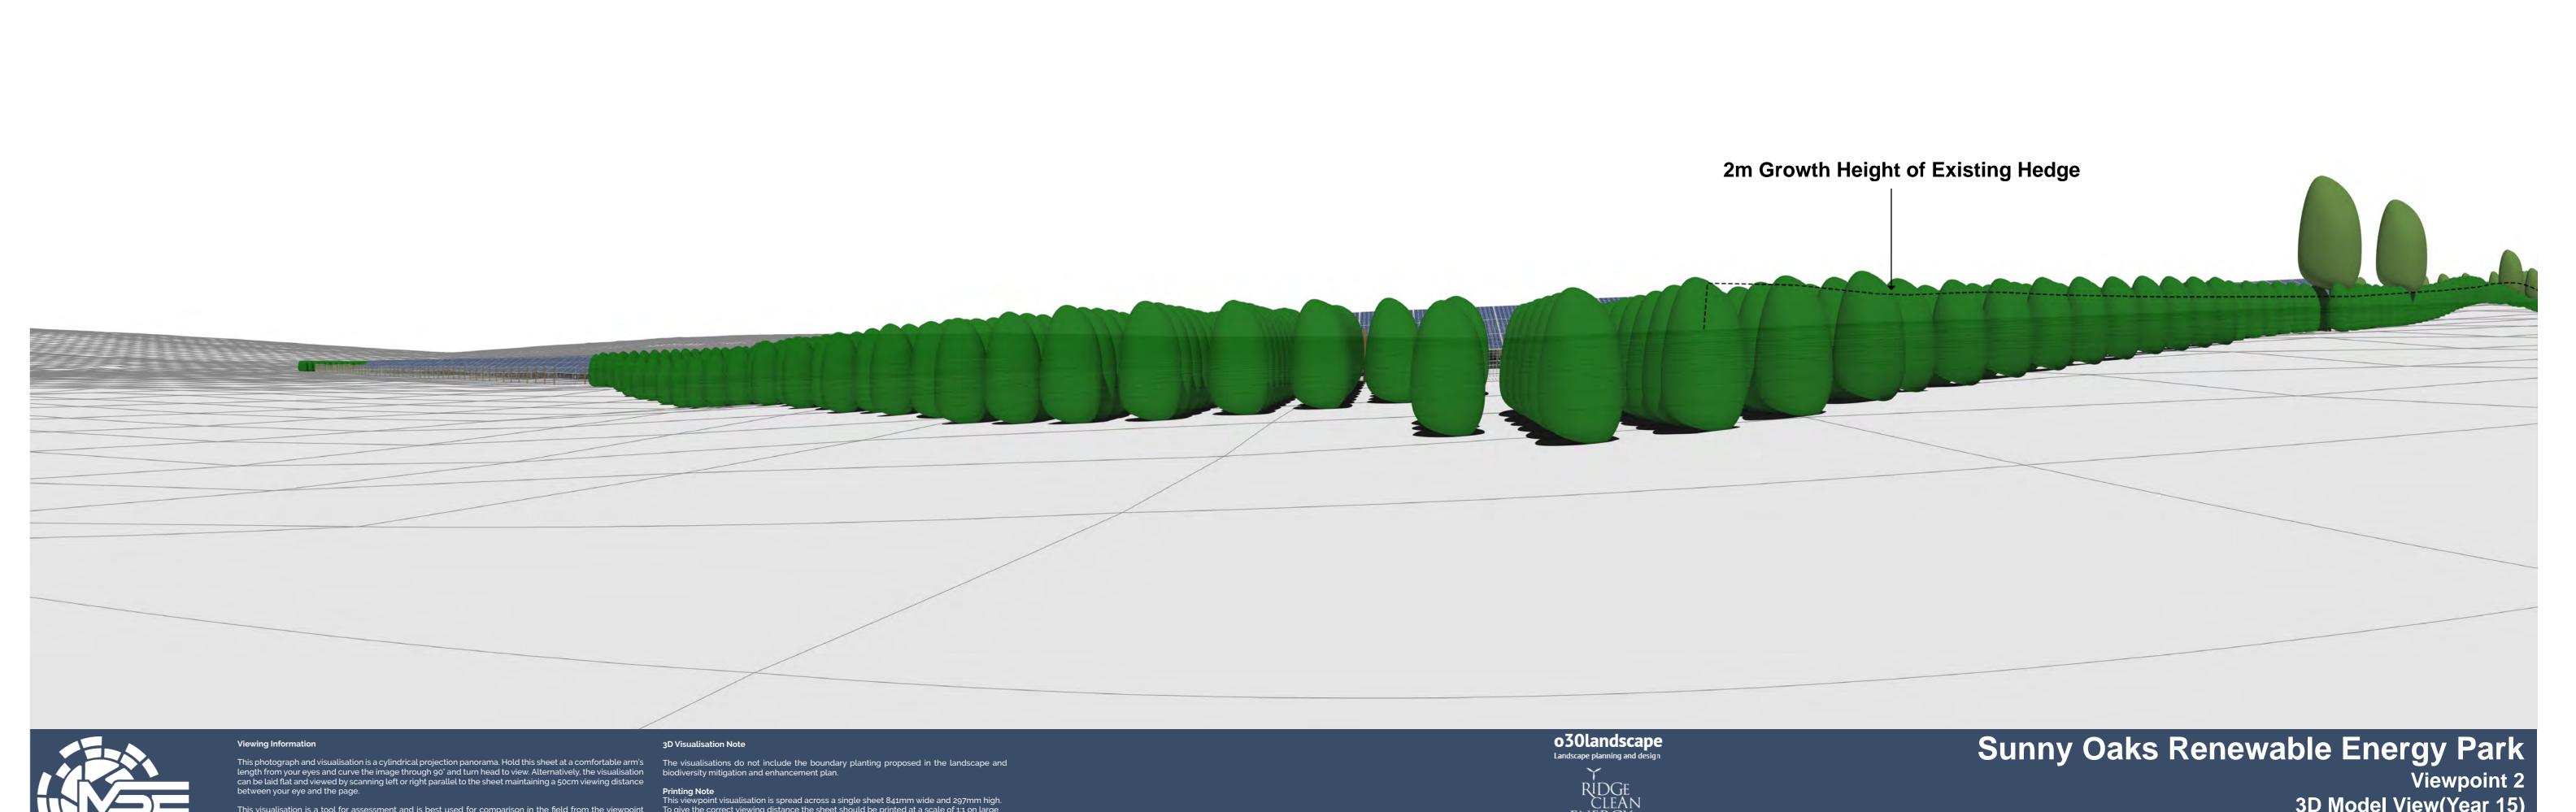

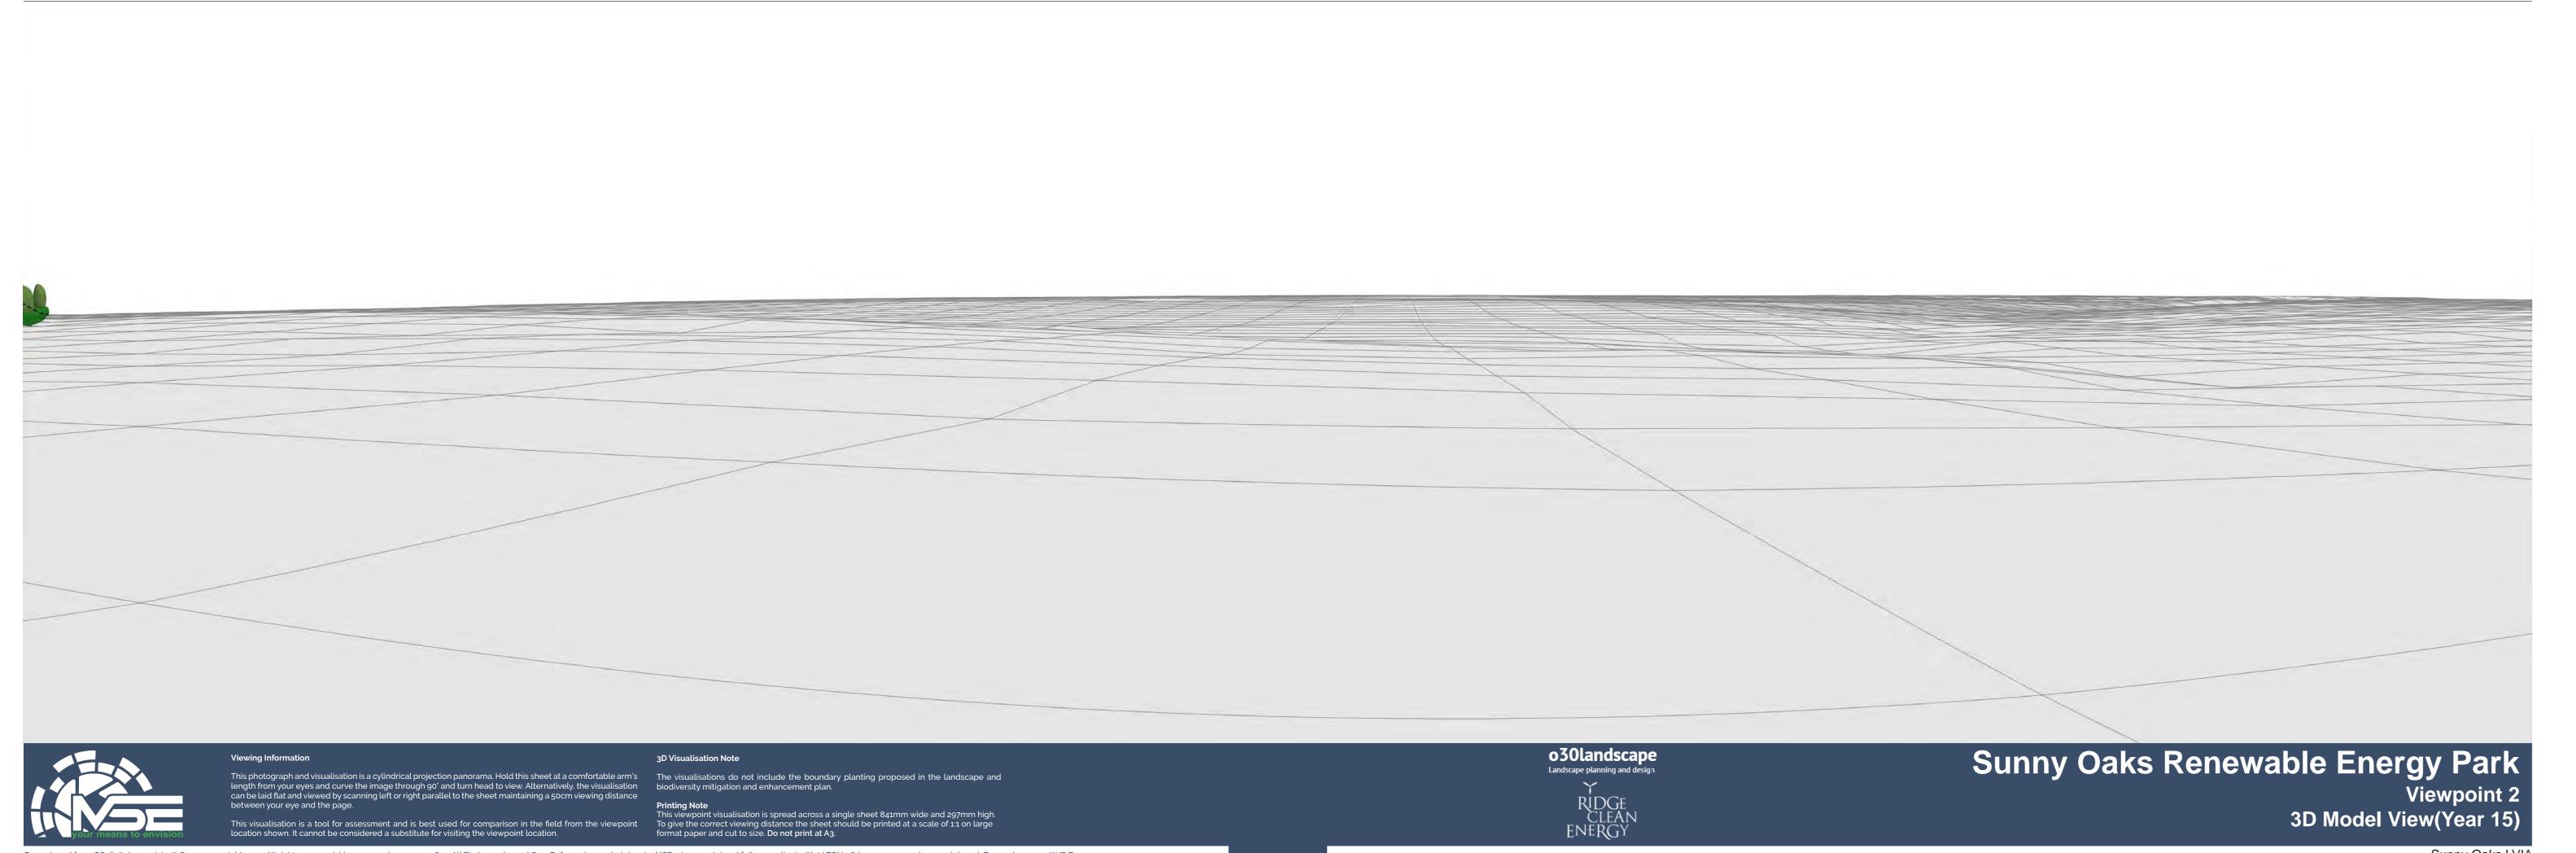

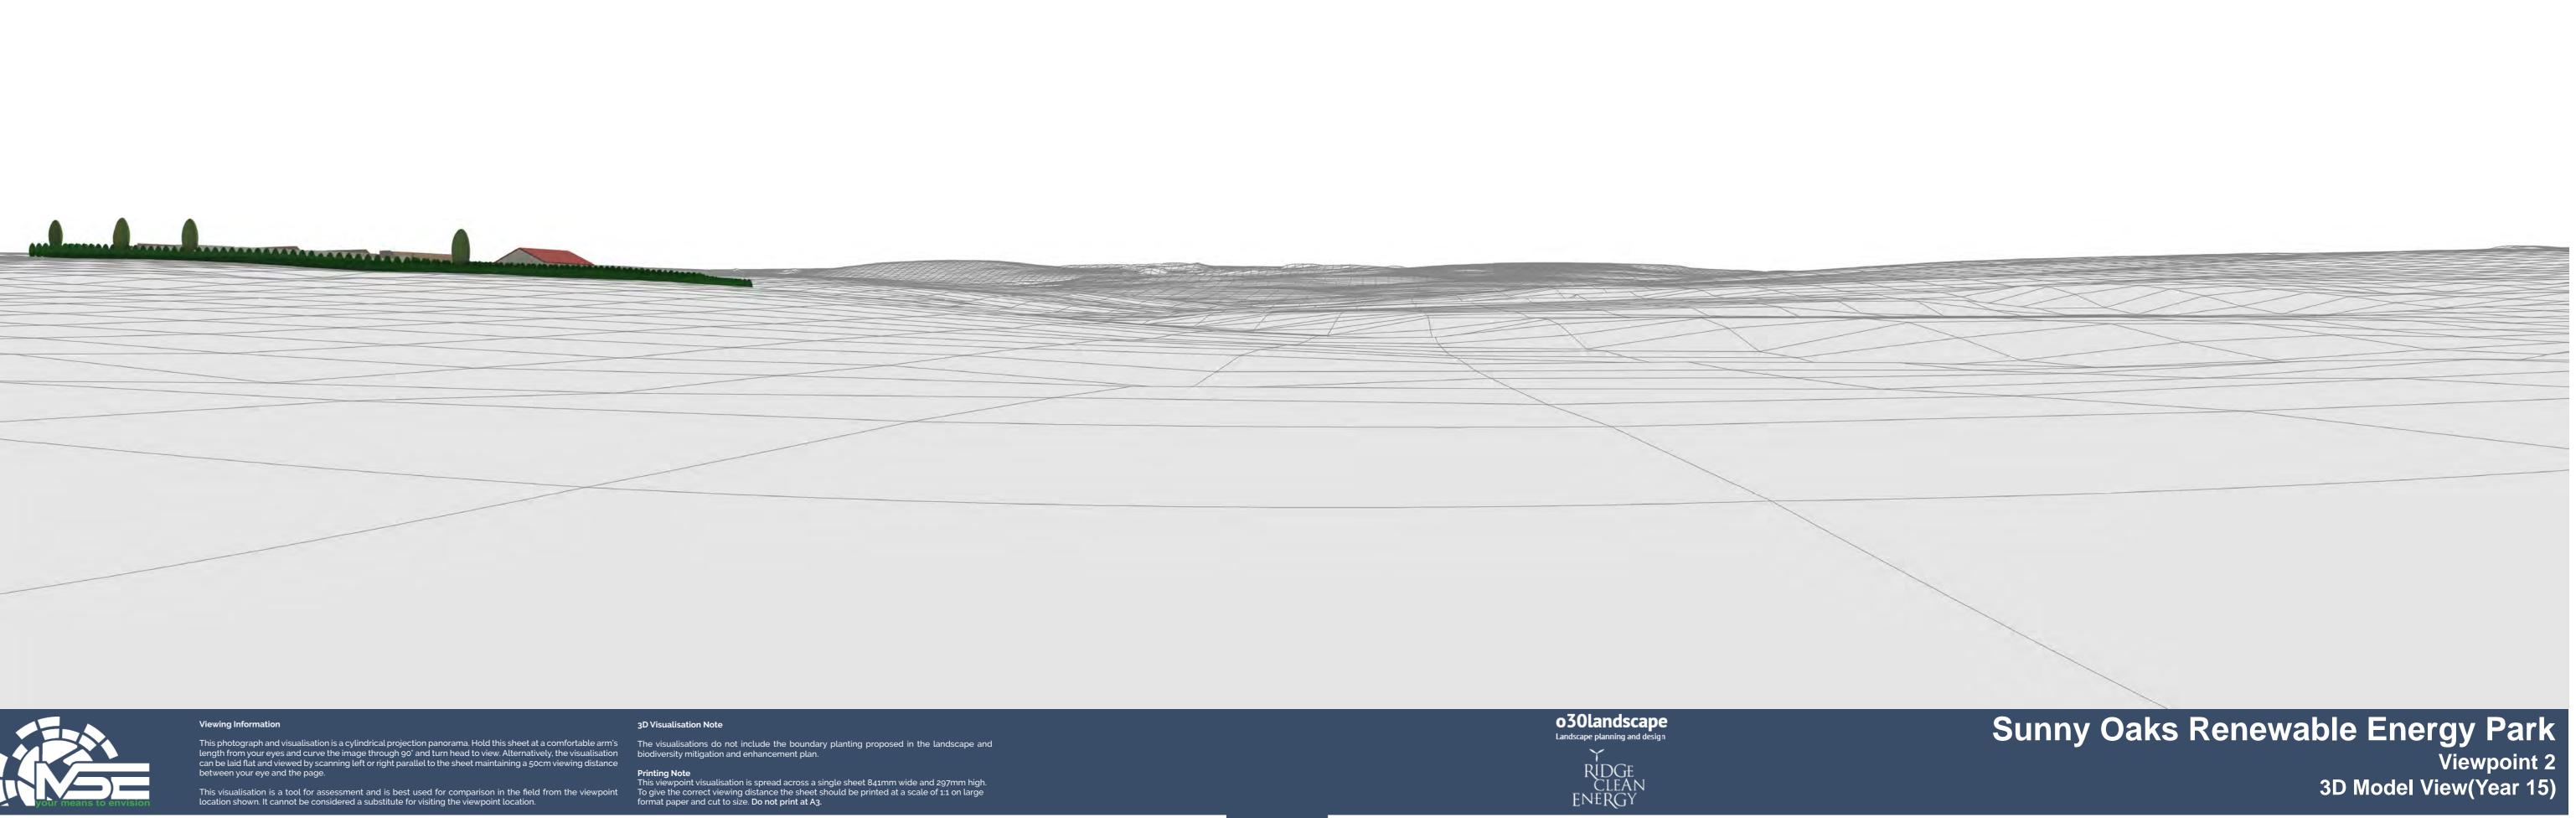

This photograph and visualisation is a cylindrical projection panorama. Hold this sheet at a comfortable arm's length from your eyes and curve the image through 90° and turn head to view. Alternatively, the visualisation can be laid flat and viewed by scanning left or right parallel to the sheet maintaining a 50cm viewing distance between your eye and the page.

The visualisations do not include the boundary planting proposed in the landscape and biodiversity mitigation and enhancement plan.

Printing Note

Printing Note

Printing Note

This visualisation is a tool for assessment and is best used for comparison in the field from the viewpoint location shown. It cannot be considered a substitute for visiting the viewpoint location.

Printing Note

This viewpoint visualisation is spread across a single sheet 841mm wide and 297mm high.

To give the correct viewing distance the sheet should be printed at a scale of 1:1 on large format paper and cut to size. Do not print at A3.
