

Appendix 1 Plates

Plate 1: View looking east-north-east towards the sites of the scheduled monuments of the Rudston Beacon and Round Barrows to East (1005231) and Earthwork (Rudston 'A' Cursus) on the Sheepwalk (1005223) from a layby on Woldgate road.

Plate 2: View looking east-south-east towards the site from the Scheduled Monuments of the Rudston Beacon and Round Barrows to East (1005231) and Earthwork (Rudston 'A' Cursus) on the Sheepwalk (1005223) from a layby Woldgate road.

Plate 3: View looking north towards the approximate location of the Scheduled Monument of Sands Wood Round Barrow (1017994) within Sands Wood from Woldgate.

Plate 4: View looking south-east across the Scheduled Monument of the Roman Villa, Kilham Lane (1005222), towards Woldgate (horizon) and the Site.

Plate 5: View looking east north-east towards the Scheduled Monument of the Burton Agnes 12th-century manor house (1011581) with the Grade I listed Burton Agnes Hall behind.

Plate 6: View looking south-south-west towards the Scheduled Monument of the Low Caythorpe deserted medieval village, manorial complex and fishponds (1013618).

Plate 7: View looking south-west towards the Scheduled Monument of the Settlement Site at Boynton Hall (1005207).

Plate 8: View looking north within the Burton Agnes Conservation Area showing Burton Agnes Hall (left background) and within the direction of the site.

Plate 9: View looking northeast within the Burton Agnes Conservation Area along Main Street, and within the direction of the site.

Plate 10: View looking north from the eastern edge of the Burton Agnes Conservation Area along Main Street, and looking towards the site.

Plate 11: View looking north-east towards the agricultural range associated with the Grade II listed Haisthorpe Hall, Church Lane (1346457). Haisthorpe Hall itself is behind the trees.

Plate 12: View looking east towards the Grade II listed Manor Farmhouse (1204990) with earthwork (right).

Plate 13: View looking north towards White House Farm (Non-designated heritage asset MHU20748).

Plate 14: View looking south southeast towards the Former Primitive Methodist Chapel, West Back Lane, Haisthorpe (non-designated heritage asset).

Plate 15: View looking north from West Back Lane, Haisthorpe looking towards the site, and showing the Former Primitive Methodist Chapel (right).

Plate 16: View looking west from West Back Lane, Haisthorpe looking towards Burton Agnes Hall.

Plate 17: View looking south-west towards the Grade II listed Manor Farmhouse, Thornholme (1204971).

Plate 18: View looking north in the direction of the site, from outside the Grade II listed Manor Farmhouse, Thornholme (1204971).

Plate 19: View looking south from within the publicly accessible portion of the Thorpe Hall estate, and looking within the direction of the site.

Plate 20: View looking south south-east towards the Grade II listed Buttercup Cottage (1162406, centre left) and looking in the direction of the site.

Plate 21: View across the garden and pond looking north-east from the eastern elevation of Burton Agnes Hall.

Plate 22: View from the wall above the ha-ha at Burton Agnes Hall. Looking north-east towards the Site. The view to the east extends across open land towards Haisthorpe Hall, although the distance does not provide clear views.

Plate 23: View from the walled garden looking north-west towards Burton Agnes Hall.

Plate 24: View from approximate centre of the walled garden looking north-east towards the Site.

Plate 25: The north-east corner of the walled garden showing the height of the wall and restricted views out of the garden.

Plate 26: East and south facing elevations of Burton Agnes Hall. The projecting Library windows on the 2nd floor have views south and east. The Long Gallery is on the 2nd floor, adjacent to the Library on the east (right) elevation.

Plate 27: View north-east from the Long Gallery, 2nd floor east elevation.

Plate 28: View north-east from the Library, 2nd floor projecting bay window.

Plate 29: View south-east from the Library across the walled garden. The Fraisthorpe wind farm is very faint in the distance.

APPENDIX 2 LVIA VISUALISATIONS

Extent of 50mm Reference Image (see Appendix 5.9.1)

Viewing Information

This photograph and visualisation is a cylindrical projection panorama. Hold this sheet at a comfortable arm's length from your eyes and curve the image through 90° and turn head to view. Alternatively, the visualisation can be laid flat and viewed by scanning left or right parallel to the sheet maintaining a 50cm viewing distance between your eye and the page.

This visualisation is a tool for assessment and is best used for comparison in the field from the viewpoint location shown. It cannot be considered a substitute for visiting the viewpoint location.

Printing Note

This viewpoint visualisation is spread across a single sheet 841mm wide and 297mm high. To give the correct viewing distance the sheet should be printed at a scale of 1:1 on large format paper and cut to size. Do not print at A3

All viewpoint location and co-ordinate information is presented in the accompanying Technical Methodology.
